DISCLAIMER

1. This Expression of Interest (Eoi) document is neither an agreement or offer by the Issuer to the prospective Participants/Procurers or any other party thereto nor is binding on the Issuer in respect of the proposal(s) received. The purpose of the Eoi is to receive definitive proposal(s) for intended tieup of Solar/Wind/Hybrid RE/Hydro capacity for upto 500MW.
2. While this Eoi document has been prepared with due diligence to keep it free of inaccuracies if any, however neither the Issuer nor its employees make any representation or warranty, express or implied as to the accuracy, reliability or completeness of the information contained in this Eoi document.
3. Neither TPTCL nor any of its employees, consultants or any party acting on its behalf will have any liability to any Participant/Procurer or any other person under the law of contract, tort, the principles of restitution or unjust enrichment, or otherwise for any loss, expense, or damage which may arise from or be incurred or suffered in connection with anything contained in this Eoi document, any matter deemed to form part of this EOI document, the process, the information supplied by or on behalf of TPTCL or its employees, or otherwise arising in any way from the selection process for the said supply of power.
4. TPTCL reserves the right to accept or reject any or all applications and cancel/withdraw the EOI process without assigning any reason or incurring any liabilities whatsoever and in such case, Participant shall not have any claim arising out of such action.

NOTICE INVITING EXPRESSION OF INTEREST (Eoi)

Procurement of upto 500 MW Solar/Wind/Hybrid RE/Hydro Power Energy /Green Attributes from TPTCL on Long Term basis.

1. Introduction

Tata Power Trading Company Ltd. (“TPTCL”), a wholly owned subsidiary of “The Tata Power Company Ltd.” has been established and operational since December 2003 with the objective of enabling power trading and help in development and strengthening of power markets in India. TPTCL is the proud owner of the first trading license, Category I, issued by CERC in June’2004. TPTCL is a member of all the power exchanges and power trading platforms having presence in India. TPTCL has traded more than 20,000 MUs in the Financial Year 2023-2024. TPTCL enables energy sale and purchase to Generators, Distribution Companies, and C&I consumers. TPTCL also offers a bouquet of consultancy services including facilitating gas trading, Energy services solutions, Cooling as a service, Captive/Group Captive solutions, Energy certificates trade (RECS/ESCerts/IRECs) with a continuous focus on advancements in power markets and tapping the new business areas and future areas for growth. For further details may please visit our website (<http://tatapowertrading.com>).

2. Background and Objective of the EOI

India is witnessing a huge economic growth with a major thrust to shift from conventional sources of power generation to renewable power. Also, as the theme of environmental sustainability is picking up, the Utilities/C&I clients are voluntarily or in view of statutory /regulatory requirements responsible to source/ transit from conventional source of power to renewable source of power.

Further, with the uncertainty associated with coal and gas prices, TPTCL intends to provide firm Generation tariff from renewable energy sources for a period of upto 25 years to the end buyers.

3. Eligibility Requirements

1) General Conditions

The Participant may be a Utility, single Company or a group of Companies putting up its intent for procurement of power. A company registered in India, having valid CIN, GSTIN, and PAN shall be eligible to participate in the Eoi.
